

Dear Higher Education Colleague,

We would like to welcome you to UHESA (Utah Higher Education Staff Association). UHESA was established in 1995 to serve all staff employees of Higher Education. Our mission is to unify, train, educate, and cultivate higher education staff and their associations; to create a powerful voice for staff within the state of Utah; to instill a sense of pride in higher education staff; and to educate the citizens of Utah regarding the worth of Higher Education.

UHESA provides a means of association and communication between the Staff Associations of each institution in the Utah System of Higher Education. Membership of UHESA consists of representatives from each institution's Staff Association officers and all higher education staff.

In addition to monthly telephone meetings and quarterly conferences, UHESA organizes a Day at the Capitol each year for all higher education staff to speak with legislatures about the importance of higher education within the state system and its vital role as an economic engine for the state. The 2011-2012 calendar of meetings is scheduled as such:
